“ *"Angie, it's the "little" things we take for granted...don't forget the little things."*

Those were the last words she said to me other than our "love yous". After reading other's thoughts and sentiments, Angie was A very dear, caring, giving, professional, loving, and my favorite...ALWAYS GENUINE and HONEST.

I truly loved her as my sister and best friend even though we were separated by distance, when we spoke it was as if we had never parted.

I LOVE YOU ANGIE AND WILL SEE YOU WHEN I GET THERE!

“ I never met a more giving person than Angela. I am with the Bartlett Museum and recently prepared an exhibit to celebrate our military veterans. Angela was so generous with so much of her own Navy memorabilia and it was appreciated by all who saw it. My heart goes out to all her family and friends in this time of sorrow. I am blessed in having known her even if it was for a short time. Sandra Gallagher.
