“ To the family of Anthony Smith this young man was practically family, he & his sibling attended Precious Moments Daycare. as a provider my heart is heavy, I can remember his desire to be a professional ball player, he always wanted to protect his family, he was his grandmother Kathy hearts desirer. I Pray for strength for this family and wishing Bianca strength through this time of her loss. My prayers and strength go out to the family.

“ I was his school officer at the juvenile detention center, he was a smart respectful young man and very athletic. I gave him all the attention and respect that I had to get his attention and it worked. He promised me he was not getting into trouble anymore and he was going to do right in honor of his grandmother. I'm very saddened of his death and I'm praying for his family and friends. God is always in control 🙏🙏🙏
