“ My beautiful sweet cousin. Usually words come easily to me, but there's so much I want to say but can't put into words. Carol was such a blessing to our family. Always there when I needed her, before I even asked. I will miss our dinner outings and celebrating family birthdays. I'm continuing to pray for our family as we learn to navigate life without Carol. Her memory will live on through all of the lives she touched. I am grateful for the time we had with her. I will miss her smile and her laugh. Carol loved her family and friends. She was a very special lady. My life is better because I knew Carol. I miss you cousin. I really really miss you.

All are beautiful accolades for Carol Farris. She was all that is written and what has been spoken of her. To have known her is to have loved her. Carol was a great lover of children also with a smile to melt your heart. Carol and I first met at Church, Full Gospel Tabernacle. She was one of the best VBS (Vacation Bible School) Directors ever. I learned so much from her that will ever live in my heart. I shall ever cherish the wisdom I gleaned from her when taking her home from Church.

We loved Carol so much and all of the Farris Family. We are yet Praying for all of you Farris' and are here for you. Continue to know that "Precious in the sight of the Lord is the death of his saints" and Carol was and is truly one.

We love you all.

“ To the family and loved ones of Carol A. Farris. We met at Memphis and Shelby County Health Dept years ago. She was our HR Manager. She was a kind and caring person. She was always a true HR professional. She was also a faithful member of our Temple of Deliverance COGIC Church family. May God bless and strengthen you all during this time. My condolences. Carol will truly be missed.

“ *Carol & I met at ROH when I joined her team. She was the first leader to truly invest in personal & professional success. We quickly found out that we had so many things in common. She graciously shared her wisdom with me and I use the tools & advice she gave, to this very day. She will forever be in my heart ❤️!*
