“ Dino there will never be a loyal Washington Redskin fan like you! I loved our rivalry of football. You trying to teach me something as my "big brother" and me letting you think you were! The serious moments you always said, " I love you big sis!" meant so much to me. Always trying to look out for everyone else! How you would always say, "I about to go and still there 30 minutes later! Thank you for my birthday memories and your unconditional love, I will always enjoy every moment! I love you, Mary Dean
