“ Ms. Hibler! It pains me to know that you've passed. However, I am happy to have encountered such a beautiful soul. You were my teacher at Downtown Elementary...and as an educator now, I realize how much effort, passion, and time it takes to teach. I really appreciate you and all that you did! 💕💕

“ Ms. Hibler I searched for you high and low after I graduated at Downtown Elementary. You believed in me like nobody ever did. The way you taught us was different and the love you gave was amazing. When I won the spelling bee you was so proud of me. The poems, the programs, everything I miss it so much. I'm glad you are peace now and I will never forget you. This hurts.

“ Ms. Hibler! My girl! I’ve been looking for you for years and it saddens me to have only found you after your passing. My 4th grade teacher and mentor at Downtown Elementary! You showed up for me always even outside of school events. I remember I won the school spelling bee in 6th grade and went to the next level, you were right there alongside my mom cheering me on. You always saw the best in your students and ensured that we were receiving top tier education along with a little discipline! One of my favorite teachers that have always had a place in my heart. It’s safe to say that you completed the mission that God set out for you with style, grace, and everlasting love! Get your rest beautiful and continue watching over the many souls that have had the pleasure of experiencing you! We love you, Ms. Hibler!

“ I know it’s late. I saw you at the hospital before you left in November. I wanted to remember you as the sweetheart you were. My 4th grade teacher and cheerleader coach at Crenshaw Elementary. I remember when you were pregnant with April 💕. My children had the pleasure of you being their 4th grade teacher also at Doubletree. Rest in love beautiful 🕊️.
