“ Mrs. Ella it was a pleasure to have met you. I did not get a chance to know you for long. But I could tell that you were a very loved woman. My condolences to James and the entire family. From Melanie and the Matter Health Primary Care Team.

“ Ella, you have always been a devote Christian and excellent friend to my Mother for over 50 years and a part of my life since before I can remember. I've always thought of you as an Aunt.

Your smile and laughter will never be forgotten but most importantly your love of life, friends, and family.

I remember like yesterday when I attended the prom, you waited on me to get dressed and you just smiled. You were always so sweet, and kind and you will definitely be missed.

I will be praying for James, and your family and all the people whose lives you touched and influenced.

You will be missed, and I know Heaven couldn't wait for you. Please tell my Grandmother Hello.

Until we meet again.

Love ❤️ Meka
