“ My heartfelt sympathy to all the members of Miss Emma's family and dear friends.
Family meant everything to her, and I pray that through the tragedy of her passing,
this will bring her family closer together. A sweet and kind Lady Miss Emma surely is.
I say is because, she has left here, but only to pass into her next journey, her eternal home in Heaven. She is with my dear Angie, who went home first to be with the Lord.
In the blink of an eye, a Mother and Daughter Reunion has occurred!!!
Angie loves her Momma. She made that so clear to me before she went home.
Family was everything to both of these wonderful women.
To the family of Miss Emma; Please draw close together, Miss Emma is watching from above. You all meant everything to her.
Hold her memories near in your heart.
Let her live on through you in peace and harmony within your family.
Please draw together in love and forgiveness in your hearts for each other.
From tragedy can come new beginnings and renewal of life and love.
Take comfort in the fact you will see Miss Emma again. She lives on eternally now!!!
To the sons, the daughter, the grandchildren and great-grandchildren, brothers and sisters of Miss Emma, I say to you:
Miss Emma was one-in-a million.
You were truly blessed to have her in your family. I will miss her kind voice and thoughts,
but taking comfort in the fact I will see her again, and so will you.
She has been renewed, and is at The Throne with God!!!
"We know not when The Master calleth". The Master called Miss Emma home.
She is a Queen in his Kingdom. Hold her dearly in your hearts and reflections.
May God Almighty send comfort and peace to the entire family, and

all generations yet to come in Miss Emma's Family. God will show you in spirit where Miss Emma is, and that she catches glimpses of you as you walk through your journey here on earth.

To the young adult members of Miss Emma's family I say; "Raise your children in the Lord, they will give you joy all your days". May God send the highest Angels in heaven to watch over and keep this family together in this most tragic of times.

Miss Emma lives on through all of you. You are her Family. You are Her everything.

Luke chapter 1, verse 37. "Nothing shall be impossible with God".

God is with you. Take comfort in him.
