“ Evaline was such a bright light and ray of sunshine in our lives. When I think of her, I smile at the many sweet memories. I've watched her over the years care for my neighbor's children and my grandchildren, and she was always kind, caring, very protective, loving and fun! I always loved the videos and pictures she shared every time she watched my grandchildren. She told me one time that she liked getting to my daughter's house early, so she could spend more time with her babies. I'm so happy that God put her in our lives so we could know and love this sweet soul. Evaline will always hold a special place in my heart.
