“ Just this March Gezette and I drove to Memphis to see uncle Freddie and had a great time meeting his grandchild. He also got to see Matthew, (his brother Edward grandson). I honestly thought we would have more time to reconnect with him. While we were there, he reminisced on stories of he and my dad growing up together, stories we never knew. I realized how much he missed all his family that passed. He would light up talking about all his siblings. Im so heartbroken that he has passed but I'm rejoicing because he's with all the ones he lost. I send my love to his family. He will be missed.
