“ *George, you are so missed by all your family and friends! I remember how you were always happy to see me, so we could reminisce about our childhood days. You seemed to have the best memory, reminding me of fun things that happened many years ago. I can honestly say there was not a time, when I saw you, that there wasn't a smile on your face. I know you are smiling now, being reunited with all our loved ones and friends. My Thoughts and Prayers are wit my Extended Family at this time of Great Loss!*

“ I have only known you since November Mr. Spencer but in that time I have grown so attached to you. I loved coming to work on the weekends just to see your smile light up bright as the sun when I would peek in on you too let you know I was there. Work is not the same I find myself walking to your room to check on you but your not in there. I loved to hear your life stories you have so much knowledge. I really hate this loss for your family Mr. Spencer you are truly one of a kind. I will never forget our memories our laugh and our cries together.
