

Harry Russell Armstrong III

December 6, 1946 - November 29, 2023

Mr. Harry Russell Armstrong III was born December 6, 1946, the first son of Harry and Rosie Armstrong.

Harry Armstrong was a quiet young man. He enlisted in the military at the age of eighteen. He completed his education in the military and achieved his GED.

During his service in the military, he was an inquisitive young man who was eager to learn. Following basic training in the Army, he was sent to war in Vietnam, determined to be the best he could be. He became an expert missile sharpshooter, saving many lives in his platoon. He would always say he never missed a target. My brother did a lot of things in the military that I had little knowledge of, but today, he is my hero.

Upon his discharge from the military, Harry started working for Illinois Central Railroad. His duties were to ensure that the railway remained clear and safe with navigable maintenance of way. He inspected and replaced worn-out parts, etc.; Harry carried out his roles which carried a lot of responsibility. He retired after 25 years of service.

Harry gave his life to God in his later years and joined Mt. Zion Baptist Church on South Parkway under the leadership of Pastor Eric L. Winston, Sr.

Harry was a kindhearted person, always giving and sharing. He was loved by many and everyone spoke highly of him. He was mild-mannered and quiet. He loved to ride in a nice car and loved to dress really nice; he was loved by many.

On Wednesday, November 29, 2023, he transitioned to his final home. Grateful for my nephew, Dewayne Lee Armstrong, and his friend for assisting me in taking care of his uncle during his final days of life.

Harry had no children of his own. He is survived by four sisters and one brother, Doris J. Quinn, Juanita Lee Armstong, Ida Mae (Lonnie) Doggett, Rubystein Armstrong, and Anthony Anderson; and a host of nieces, nephews, cousins, and friends.

Harry was preceded in death by his sister, Freddie Mae H. Armstrong, and four nephews.
