“ I will certainly miss the love of this woman. She was my sister n law, even after my divorce. She said to me, you will always be my sister n law, I don't care who my brother bring around me. They will never compare to you! Those words will always be remembered, and the love and respect she continued to show me too. Her favorite words, "hey darling "...Now I can say to her, "Take your rest Darling". I love you... Faye North..My sincere condolences to the family.

“ Ms Karen was such a light and joy to work with. I never left a conversation with her without smiling and feeling good. While I’m sad to find out, I know she’s in a better place with the Heavenly Father. Sending love to her family and all who knew and loved her.
☐ ❤️ you Ms Karen

“ My dear friend/grandmother Nurse Karen. I enjoyed our long talks and countless moments of laughing. You taught me a lot about life and how to navigate challenges with grace and dignity. I will miss you so much. 🙏

“ To know Ms./Nurse Karen was to love her. We worked together at Lakeside. Then I went to work for Memphis Shelby County School. I was the school social worker at tHe Central High and her granddaughter was there. She loved her family. Nurse Karen was so real. If you didn’t want the truth, she wasn’t the person to ask. She will truly be missed.
