“ *I'm heart broken that Larry Jr. has been taken way too young from his family who loved him so much. I met Larry Jr.'s mother, Rochelle, in the early '90's and met Larry and his sister within a couple of years. I actually watched the kids grow up into their late teenage years and watched from a distance through my friendship with their mother. I loved Larry Jr. He was a good child and an amazing young man I've always enjoyed seeing.*
