“ My thoughts and prayers will be with Mr. Larry's family especially his daughter and sister. My name is Cissy Ward. I am the one who found Mr. Larry deceased in his apt on the March 19 2023. I came to know and love Mr. Larry, he always teased me, made fun of me, then he would turn around and compliment me. He was so much fun to be around. I will surely miss him yelling at me daily B. I. N. G. O. Then he would turn around and say it backwards!! Lol. Such a clown always laughing, I will miss him terribly. With all of my back problems after 14 back surgeries, he always would tell me its only bad if you let it be bad. Thank you Mr. LARRY for telling me and helping me from time to time work through awful painful days. I will always cherish and miss my friend Mr. LARRY.....
God bless.

Larry was always known for his big smile and laugh. He was cast in the Carver Junior High operetta as Tom Sawyer by the music teacher Mrs. Freddie Black very likely because of that big smile and personality. Rest in peace our Carver alumnus.
