In this uncertain world there are few people who remain steadfast in their support. Our friendship/sisterhood was woven with threads of love, trust and shared moments. An unbreakable bond. You will always be a cherished part of my life and I am grateful for the laughter, tears and countless memories we've shared. I will forever celebrate our friendship and your presence in my life! Thank you Father for sharing Linda's ❤️ with mine.

My heart is so very heavy to have heard of Linda's passing. She was truly one of the best neighbors on Berline Drive in Georgia. She was always so kind, genuine and pleasant. I cannot even remember a time when she was not smiling. You will truly be missed Linda. I know that you are standing among the angels in heaven. My most heartfelt condolences to the family and friends.

I went to school with Linda back in Cape Girardeau, she was a kind, friendly, and out going person. Her smile was beautiful; her faith was strong then and until the end . So glad I had the opportunity to talk to her about last year when she lost her sister Janet, God has the master plan for everything and everyone. Rest in peace my friend.

Linda and I met when we pledged in the illustrious, Delta Sigma Theta Sorority, Inc. Linda was a kind and gentle person. I never saw her upset about anything. That contagious beautiful smile, would let you forget about your worries. Her faith in God was strong. Our Line Sisters text one another everyday. We will miss hearing from our beloved sister. Rest peacefully in heaven with our Heavenly Father and all of the angels. On behalf of your Line Sisters, we offer our condolences to Linda's sons and other family and friends. You will be missed my Dear Friend/Soror.
