

## Lisa Williams

December 6, 1968 - September 22, 2021

It is with deep sorrow and love that the Williams family mourn the passing of their precious mother, Lisa Anne Williams, who passed away on Wednesday, September 22, 2021.

Her loving, empathetic, strong, and proud attitude was passed on to her children, just as Lisa received it from her parents. She devoted her life to her children and philanthropy.

Lisa is survived by her four children, who made up the entirety of her world, Demetre Williams (37), Raquel Williams (34), Alexas Espostio (31), and Estephon Ramirez (30). Lisa is also survived her dear father, Wilbert Williams.

Lisa was preceded in death by her mother, Virginia Williams, who she sits beside, watching upon her family.

“ I'd with a heavy heart that I am not able to be there. I pray for the family. That God will give them all the peace that surpasses understanding. Lisa was a great lady. I will miss her chats, smiles and laughter which is well embedded in my mind. May she rest in God's eternal rest.

“ My deepest condolences and prayers go out to her children, grandchildren, and her father. Know that I love you guys. This is very hard to believe that she is gone from this earth. I am totally heartbroken. Growing up she was like my big sister. She was one I looked up too. I will cherish all those memories together with her and my Aunt Ti-nani (Virginia) the weekends I spent with them. No more pain cousin. Rest easy now. You will always be remembered for your boldness, courage, kindness, strength, wisdom, and unconditional love. Love you!

“ A Travelers Love

*I feel you. Calamity comes.  
You would think she owed us the way she loved us💕  
Even though the days to come will not always be this hard.  
I wouldn't dare rush this grief.  
This storm has my complete rage.  
It's demanding me to be felt.  
I know God knows this intimately.  
He allowed us to share you💜  
Love and Loss💔  
I will always stand here in the presence of your Love. ☹️*
