

Mandy Wiggins

July 8, 1961 - August 15, 2022

Mandy Jean Wiggins was born July 8, 1961, to the late Irene Wiggins-Black; she was the oldest of five children.

Mandy was loved by many that she came in contact with. She was a beautiful person to be around. She was a kind and caring person who did not mind sharing with others, but she did not allow you to abuse her kindness and generosity. Mandy was very respectful and demanded it as well. She minded her own business and had a smile that could light up the world. She was funny and always made you laugh. Many looked up to her as a mother and she was an excellent cook.

Mandy went home to be with the Lord on August 15, 2022. We will forever carry her and all the wonderful memories of her in our hearts.

Mandy was preceded in death by her brother, Jimmy Wiggins. She leaves to cherish her memory: two brothers, James Wiggins and Melvin Wiggins; her sister, Randi Hayes; and a host of nieces, nephews, cousins, other family members and friends.
