

Paula Webb

February 7, 1967 - December 28, 2022

A Time to be Born....

Paula Antoinette Webb is the only child of Ms. Paulette Brackins and the late Allen Webb. She was born February 7, 1967 in Moulton, AL.

A Time to Learn...

Paula's early years began at Moulton Elementary School. She later graduated from Moulton High School. After graduation, she enrolled at the University of North Alabama (UNA), where she was a Business major. As a social butterfly and having a desire to serve her local community and all mankind, she became a member of Nu Omicron Chapter of Alpha Kappa Alpha Sorority, Incorporated. Oh, how she loved her AKA!

A Time to serve and to plant...

At a young age, Paula confessed hope in Jesus Christ as her personal Savior. She was baptized and became a part of the body of believers at the Moulton Missionary Baptist Church. There she developed her love for God, gospel music and the gift of singing, as a member of the choir. When she moved to Huntsville, AL, her work for the Kingdom was not left behind. She soon united with Union Chapel MB Church and faithfully served in several capacities. After moving to Memphis, TN she served faithfully at Oak Grove MB Church before joining the Lift Church family where she continued her work as a board member, praise & worship leader, financial secretary, hospitality committee,

and other various ministries to include youth leader, music ministry, bible study teacher, and Sunday school teacher.

Maintaining relationships with family and friends has always been important to Paula. Her demonstration of love included conversations that could last for hours. She was always concerned about the well-being of others. Traveling distances near or far, to celebrate life's accomplishments for you and/or your children, was an absolute joy! Whatever life presented, she was there to cheer you on, offer encouragement, a prayer or just a listening ear.

Paula's love for people served her well for 17 years at Nike, and more recently at Southwest Tennessee Community College, where her managers and clients were beneficiaries of her stellar customer service. Paula always did unto others as she would have them to do unto her, demonstrating the spirit of excellence by always going above and beyond the call of duty. She touched many lives with her contagious smile and her positive infectious energy. In her spare time, she enjoyed writing, fellowshiping with family and friends and watching sports, particularly the Pittsburgh Steelers.

A Time to love...

It has been said, you don't know love until you become a parent. Becoming a mother was one of Paula's greatest joys. She LOVED her children, Travionna and Clayton, unconditionally. They were always at the forefront of every decision she made.

A Time to Die....

Paula fought the good fight and kept the faith, but her time on earth came to an end. Surrounded by loved ones, she departed this life December 28, 2022, at Methodist University Hospital (Memphis, TN). Her legacy and love for her family and friends will live forever.

Those left to cherish her memory include her children, whom she loved dearly, Travionna and Clayton Webb (Memphis, TN), her mother, Paulette Brackins (Moulton, AL), and a host of aunts, uncles, cousins, and friends.

“ So very glad I was able to spend time with Paula in Memphis (May 2022) she picked me up for church and what a time we had. Also at the Alabama mini-family reunion/birthday celebration in Huntsville the weekend before Thanksgiving. I'm so grateful for being part of the Alexander phone line that she initiated each Saturday to fellowship and love on one another (we will continue in her honor). My heart is broken in that 1/4 of the Flossy Possy is gone but I'm comforted to know I will see her again and that she is resting with the Father. I love you Paula, your work on this side is done good and faithful servant. Thanks for being the glue of this family. Sandra Stewart/Sandy from San Diego.

We have all lost a beautiful and trustworthy person. I called her my go to girl because I could depend on her to keep me updated on the happenings in the family- we kept in touch with each other on a regular basis. I called her a few days before she was hospitalized and she was excited about moving into a new home with her new boyfriend. She told me that I would like him. She will be missed by everyone who knew her - family, friends and colleagues.
