“ *Pettye Jean was one of the hardest working people, I have ever known. She was never daunted by the massive number of books that came into the History Department daily. The staff that worked under her loved her, as we all did. Jim, we were lucky to know her.*

“ I remember a lady with a great big "ready to greet you" smile who always had a twinkle in her eyes and her glasses were always sliding down her nose. It has been many, many years since I worked at Memphis Shelby County Public Library on Peabody, but that where I met this wise and beautiful woman who loved her grandkids. Family and friends be at peace with God's will and the knowledge that this life was only a staging ground for her final performance and say "bravo, well done"
