“ Aunt Sam will always be remembered for her love, care, and sense of humor she shared with so many. There are so many fond memories you left for us; like sewing, baking from scratch, making us laugh and the list goes on. One of my favorite memories with you, was shopping at Hancock's selecting patterns and fabrics that you would turn into beautiful pieces of clothing. You will forever remain in our hearts...rest well auntie and love always!

“ Aunt Sam. Whenever we were together life was fun. Even when you were sick you always found a way to make it seem like everything would be okay. You enjoyed life until the end. Never complaining. You were always at peace. It did not matter what obstacle occurred in your life. No matter what the battle was - you were a soldier until the end. Mom/Bernice, Aunt Pearl, Uncle Hershhal and Grandmother Pattie will be glad to see you. Love you.
