“ Terrence was one of my first friends when i moved to southaven in 6th grade. I started going to Desoto Central in 7th grade and found out he lived in my neighborhood so we started hanging out almost everyday.us playing basketball, him beating me over and over until i just didn't want to play. he accepted me into his friend group back then and always stood up for me and ill never forget that and ill forver be grateful for him. as we got older we didnt talk as much but we always kept in touch and ran into eachother or hung out. Terrence was a big influence on me as a teenager and ill forever keep the memories and moments we had close to my heart. he always took care of me and it was the same when he came to my house. Terrence was always welcome at my house he knew he was family to us. it breaks my heart to see all the pain this has caused the family and i'm so sorry for yalls loss.
